

DESIGN GREEN

AWARDS FOR EXCEPTIONAL DESIGN

SPONSORSHIP OPPORTUNITY

When exceptional design is seamlessly integrated with new high performance standards for conservation and sustainable building practices are implemented, innovative and sophisticated solutions are the result. To support and recognize this metamorphosis of design integrated with the language of sustainability, the Design/Green Awards were created in 2008 by the Architectural Foundation of Los Angeles (AFLA). Last year's field of entries were outstanding and the architects of six exceptional projects were honored at the USGBC-LA Green Gala last November.

This year, in addition to presenting the awards at the USGBC/LA Green Gala this October, the AIA LA Chapter is including 2009 Design/Green Call for Entries in their AIA Awards Call for Entries and will include the winning projects as part of their AIA Awards event, also in October. This awards program has become a true collaboration in only its second year, and AFLA is grateful to both the USGBC and AIA Los Angeles Chapters for their support.

Your sponsorship will guarantee the sustainability and growth of the Design/Green Awards and for each sponsorship received, AFLA will provide one scholarship to a USGBC Workshop (to applicants submitting a Request for Scholarship). Many thanks again to our founding sponsors: Southern California Edison, Bentley Prince Street, Engineering Economics Inc, American Commissioning Group LLC, KEMA, Higgins Development Partners, Ware Malcomb, and Zimmer Gunsul Frasca Architects LLP.

LETTER OF INTENT

Please send your letter of intent to:

Luis Dominguez
Design Green / AFLA
22815 Frampton Avenue
Torrance CA 90501
310 534 8466
wemanage@aol.com

If you would like to be a 2009 sponsor of Design Green, please complete the following:

Name _____

Company Name _____

Address _____

City/State/Zip _____
